DETAILED ACTION

Allowable Subject Matter

1. Claims 1-54 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is the limitation of an interferometric apparatus wherein at least one of the interferometer legs comprises integral prismatic polarization preserving optical system structured and arranged to deviate plane polarized beams through preselected angles while maintaining linear polarization as they travel along said at least one of said first and second interferometer legs, which in combination with all claim limitations, is not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
